

MINERAL TILES

The full body vitrified porcelain tiles have pigment through the entire width to protect against fading, discolouring, and scratches. Ideal for high traffic zones, structurally engineered with excellent rigidity for high resistance to breaking load and stress. The ranges have high anti-slip rating with a soft edge that feels great, is resistant to frosts, chemicals and staining – forgiving and easy cleaning.

THE ON-TREND MINERAL TILE RANGE HAS A CONSISTENT TEXTURAL FINISH THAT COMPLIMENTS MODERN REFINED ALFRESCO SPACES

VITRIFIED, PORCELAIN RECTIFIED

*Please refer to actual tile samples
for accurate colours and texture.*

TILES ON QUICKBUILD

*Ideal for all outdoor spaces,
including covering up existing,
unsightly pavers for an easy
courtyard renovation.*

The laterally structural frame reduces the amount of pedestals required making it simple to level and to stay level for safety.

Outdure's hidden QuickClips and 'X' spacers hold the tiles into place + a rubber bead for noise reduction.
